VIRTUAL

CONVENTION.APA.ORG/CE

All Continuing Education (CE) Workshops are sponsored by the APA Continuing Education Committee (CEC). They have been reviewed and approved by the APA CEC to offer CE credits for psychologists. The APA CEC maintains responsibility for the content of the programs.

APA 2020 Virtual includes an outstanding lineup of virtual CE Workshops designed to keep professional psychologists on the cutting edge of the latest science and research in psychology. Select from 51 2.5-hour CE Workshops from Monday, August 3 – Friday, August 7. During each workshop, participants can maximize learning during a live Q&A with expert presenters.

ENROLLMENT

To enroll for CE Workshops, visit apa.content.online and select “APA 2020 Virtual Convention” under “Browse by Category” on the left-hand side of the page.

If this is the first time you have purchased from this site, you will need to create a login and password. **Your MyAPA login will not work in this catalog.**

To enroll in a workshop, view a detailed description of the course and then select “add to cart” at the bottom of the page. When all items are in the cart, log in as a returning user or enter your information to create an account. Click “register” at the bottom of the screen to proceed to payment. You will receive confirmation of your purchase via email from American Psychological Association <registration@beaconlive.com>. The confirmation will have a direct link to the live webinar. You will also receive an email reminder 24 hours prior to the workshop.

NOTE: If you do not receive the confirmation email, please check your junk and spam folders.
